It is very important that you *mark* your child's sweaters, jackets, coats and any other personal belongings *with his/her initials*. We usually end up with articles of clothing that no one claims, because the children can't always identify their belongings.

For 4 year olds who will be taking a nap, please make sure to bring a **small blanket and small travel pillow** to keep in cubby during the week. Please do not send standard size pillows or twin size blankets from home. Napping items should be taken home to be washed at end of each week, and returned at the beginning of each week.

Please remember that sometimes our little ones can have food spills and bathroom accidents on themselves and you will need to provide a change of underwear, socks, and clothes in case that should happen. You may keep a change of clothing in a backpack in your child's cubby. Anytime we send your child home in a change of clothes from GCP, please make sure to return them as soon as possible.

During the winter we will ask for you to provide your child with boots, snowsuit, hat, and especially gloves/mittens in order to play in the snow. Children who are not provided with these items will not be allowed to play out in the snow.

If your child attends preschool during the summer months, we require the following to remain in their cubby daily:

- Full Size Towel
- Bathing Suit
- Water Shoes
- Sunscreen Spray/Lotion

Towels and Bathing Suits will be washed at preschool after each use

PLEASE DO NOT SEND YOUR CHILD IN FLIP FLOPS. SUMMER SHOES/SANDALS MUST HAVE A BACK/ANKLE STRAP FOR SAFETY.
